, new nfl nike jerseys Comments are closed. My friend and former co-worker Scott Fowler has a copy of the letter Carolina Panthers owner Jerry Richardson wrote to fans who hold Personal Seat Licenses. But I will try to read between the lines a little bit more on Richardson's letter and offer my thoughts on what it all means. Copyright © Sports Blog, nfl jersey cheap, boise state football jersey, nfl kids jersey, customized hockey jerseys, All Rights Reserved. Maplestory Mesos | True Religion Outlet | Cheap Homecoming Dresses | tablette | cheap nfl jerseys china | dreambox 8000 | wedding dress | louis vuitton outlet | Beat By Dr Dre | prostatitis | polo lacoste | ugg boots sale | I also say the hiring isn't totally up to Richardson. He's got his hands full because he's more involved in getting the labor deal done for the league than most people realize. I say general manager Marty Hurney stays and spearheads the coaching surge. Yes, nike nfl gear, Hurney has made plenty of questionable moves, usc football jersey, football jersey display case, but he's stayed in Richardson's good graces. Tagged with: First off, nhl jersey shop, tcu football jersey, Richardson, big and tall nhl jerseys, nfl eagles jersey, nfl jerseys cheap, never mentions coach John Fox or his future. He doesn't have to. Fox is gone from Carolina after this season. That's been an obvious fact for months. The first news organization that puts out something like "Breaking News: John Fox fired by Panthers" will lose all credibility because this isn't news. Besides, nike nfl jerseys 2012, hockey jersey designer, Fox isn't being truly fired. The Panthers will let him finish his contract, nfl jerseys, then show him the door. ? NFC Big Question: East | West | North | South ? AFC: East | West | North | South Can the Atlanta Falcons have a winning record for the third straight season? There was some minor celebrating at the end of last season when the Falcons won their final three games to finish 9-7 and record back-to-back winning seasons for the first time in franchise history. It still wasn't good enough for the Falcons to get to the playoffs in back-to-back seasons for the first time and that was mildly disappointing after a 2008 season in which rookie coach Mike Smith and rookie quarterback Matt Ryan took Atlanta to the postseason. [+] Enlarge Kevin Liles-US Presswire The Falcons need a stronger

season from John Abraham and the Falcons' pass rush. Blame last year on injuries and bad luck. But maybe a season in which everything that could go wrong did is exactly what the Falcons needed to raise the bar for 2010. They were a 9-7 team when everything was working against them. They should be much better when things are going well. Things can always change, flag football jersey, but, nfl jersey monster, right now, black football jersey, the schedule doesn't look all that difficult. Injured guys like defensive tackle Peria Jerry, customized football jerseys, safety William Moore and receiver Harry Douglas are expected back at full strength. Running back Michael Turner is in much better physical condition than he was at this point a year ago and he seems to be on a mission to prove that his 2008 season wasn't a one-hit wonder. The Falcons took their annual one large plunge into free agency by signing cornerback Dunta Robinson and that should solidify the secondary. First-round pick Sean Weatherspoon should give Atlanta a playmaker at linebacker. The only uncertainty is the pass rush. Maybe John Abraham can bounce back from a quiet season and maybe Kroy Biermann and Lawrence Sidbury can take the next step in their development. The pass rush and the New Orleans Saints might be the biggest obstacles the Falcons face at the moment. Even with those issues hanging out there, chinese nfl jerseys, this looks like a team that's on course for a third straight winning season. Sports Blog Jerry Richardson offers some clues Glad to see Richardson finally reach out to his fans. It's long overdue in a season in which the Panthers have totally fallen apart. Richardson doesn't come out and offer a detailed explanation of where the franchise is going in the future, nike in the nfl, but he admits the league's labor uncertainty is an issue. More importantly, nfl new uniforms, ccm nhl jerseys, he says pretty strongly that he's committed to spending money and putting a good product on the field in the future. Scott adds his own commentary at appropriate spots throughout the letter and I agree with everything he says. Also, football jersey design, don't underestimate the importance of team president Danny Morrison as this team moves on. Morrison was brought on after Richardson fired his sons and he runs the business side of things. The business side will be important going forward, nike nfl 2012 jerseys, shop nfl jerseys, so Morrison's going to be heavily involved in this coaching search. Richardson offers no hints as to who will replace Fox and I'm sure his comment about being committed to spending and succeeding will stir up the Bill Cowher talk again. I've never bought into that before and I'm not falling for it now. I say Richardson hires a rising coordinator, nfl football jersey, someone youthful and energetic and ready to embrace a building project. Richardson's comment about continuing to build through the draft and keeping core players is a phrase Hurney has uttered publicly a few thousand times through the years. Sounds like the owner and general manager remain on the same page. You could argue that Cowher's name alone would sell tickets. But I think Morrison, kids football jerseys, nfl jerseys authentic, Richardson and Hurney are looking for more than that. They obviously will be looking for a good coach. But they also will be looking for someone who is willing to come in and do all the little things (speaking engagements, nike nfl contract, signing autographs and being a face of the team). In some ways, nike nfl jerseys leaked, Fox got too big for that kind of thing as time went on. It's kind of ironic to say this. But, design your own hockey jersey, new nike nfl football jerseys, michigan hockey jersey, nfl youth jerseys, wholesale hockey jerseys, what the Panthers need is someone like John Fox — back in 2002.
